Client registration for the .GRM CLOUD

You can use the following URL address to start the registration process for a client registration:

<https://MAINLAND.guest-registration.com/en/grm-mandant-registration/>

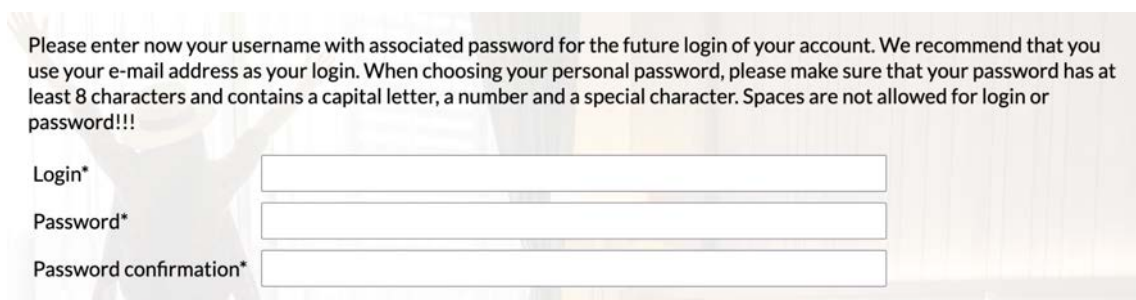

1. First, enter your personal data for the user account.

Register your company as a partner
Please now enter the personal data of the responsible owner, director or manager for your client account:

Position	<input type="text"/>
Salutation	<input type="text" value="-"/>
First name*	<input type="text"/>
Last Name*	<input type="text"/>
E-mail*	<input type="text"/>

2. Choose a username and password for future login

Please enter now your username with associated password for the future login of your account. We recommend that you use your e-mail address as your login. When choosing your personal password, please make sure that your password has at least 8 characters and contains a capital letter, a number and a special character. Spaces are not allowed for login or password!!!

Login*	<input type="text"/>
Password*	<input type="password"/>
Password confirmation*	<input type="password"/>

Please make sure not to use spaces in the login or password. We recommend using the e-mail address when logging in.

The requirements for the password are a length of at least 8 characters and the use of a capital letter, a number and a special character.

3. Provide the details of your company

Now please give us the necessary information about your company:

Company*

Address*

ZIP Code*

City*

Phone*

Fax

Next

The entry of a fax number is optional.

Then click on **"Next"**.

4. More information about your company

We need further information for the presentation of your company and the associated offers

Link to the legal notice*

Link to privacy policy*

Provide the links to the legal notice and privacy policy of your website.

My accommodation is located in the following municipality*

Category of your accommodation*

Specify the municipality, the category of accommodation and your website.

We need you to provide a link to your website where you give guests all the information about your offer. Describe your offer, note there if it is a free offer or a discounted item. If the offer has to be reserved or ordered online, then you should also describe and highlight this on your website accordingly.

Please provide us with the link to your website:

5. Declaration of consent & AV contract

AV-Vertrag* I have read the AV contract written in German language only linked below for participation in the GRM-CLOUD and hereby confirm my consent to the processing of data in accordance with the AV contract.

[/grm-av-contract/](#)

First name & last name of the person signing*

Confirm that the linked AV contract in german language has been read and that you agree with the data processing according to the AV contract.

Indicate the first and last name of the signatory.

6. Agreement to data processing

I agree that my data from the form for registration of my company will be collected and processed electronically. The data will be used to create a company account for the CLOUD services of this portal by the portal operator.

Note: You can request and then revoke your [Data Privacy](#)

Ready **Back**

In order to send your registration, you must agree to the collection and processing of your data.

Click on "Ready" to complete your registration.

Registration

You have successfully registered.

In a short time you will receive an email with the confirmation link to your registration. Please click on this confirmation link to execute the double consent to your registration and the electronic processing of your data. After you have executed the double confirmation, we can process your registration.

If you do not receive this or other notification emails, please check your SPAM folder first and otherwise please contact our support. We will then reissue the delivery.

7. Email confirmation with double optin

After successful registration you will receive a confirmation by e-mail.

We have received your registration.  Posteingang  

 17:21 (vor 3 Minuten)   

Dear Sir or Madam,

thank you for registering on our portal.

Our support team will set up and activate your account as soon as possible. This process usually takes a few working days, provided that you have sent us all the necessary information in full. As soon as this process is completed, we will contact you.

If you have any questions, please do not hesitate to contact us.

You are registered with the following information:

In order to further process your data, please confirm your request to us using the following confirmation link:

With kind regards

Please click on the confirmation link and thereby execute the double consent to your registration and the electronic processing of your data.

Only after you have executed this double confirmation, we can process your registration.

Confirmation of registration as a participant of this cloud portal

Your registration via an inquiry or system form on our website is hereby completed.

We will now process your request immediately, as we have now received your double consent for the evaluation and processing of electronic data.

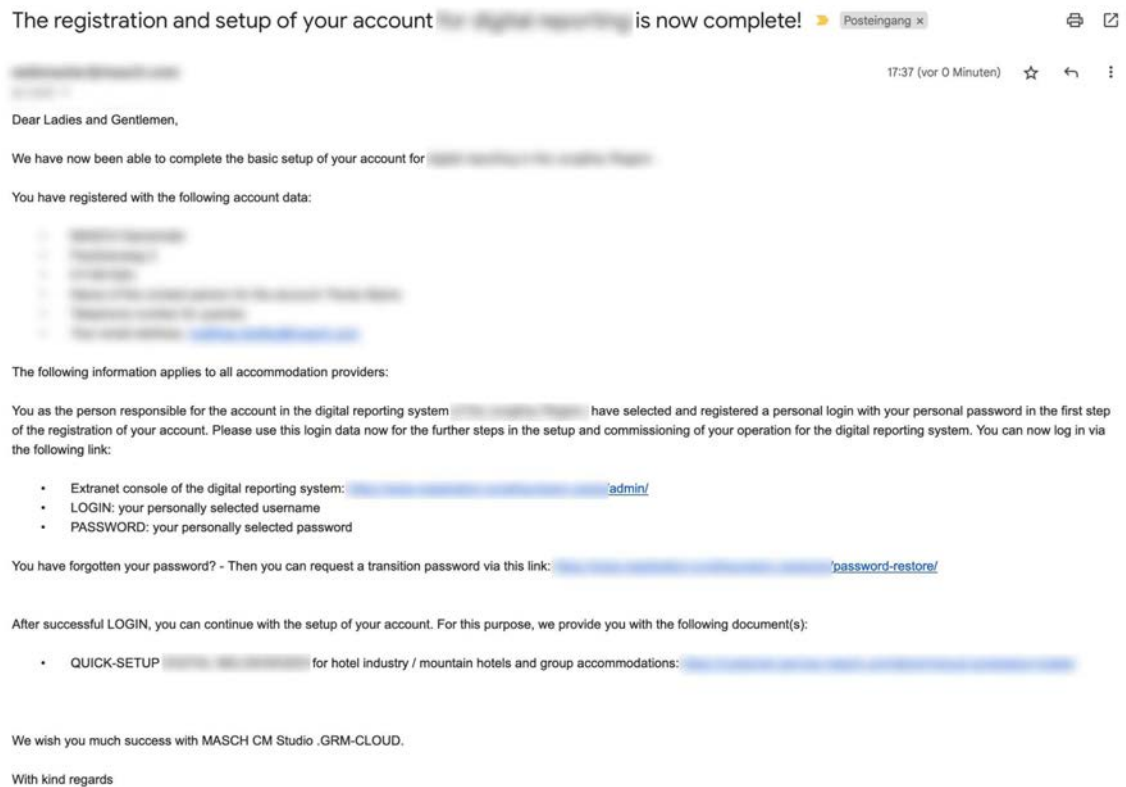

For further information, please refer to our [data privacy](#).

If you do not receive this or other notification emails, please check your SPAM folder first and otherwise please contact our support. We will then initiate the mailing again.

8. E-mail confirmation of approval

You will be notified by e-mail for the final approval of your registration.

Please note: The approval is given by the administrator of the portal and does not come immediately.

Please now use the following link to log in to the extranet:

<https://MAINLAND.guest-registration.com/admin>

To log in, use your registered login name and your chosen password.
